

1988 INDEX

The Alpha Index provides a reference to all editorial articles featured in *Security Gazette* during 1988. Companies are listed alphabetically, followed by that story's headline and the date and page number of the specific issue in which the article appeared.

A

A&G SECURITY ELECTRONICS

Appointments, John Hacking, February, Page 9.
Alarm control panel, March, Page 13.
The ambassador as statesman, November, Page 13.

ABBEY SECURITY

In brief, August, Page 5.
Alarm processing & intruder detection, December, Page 12.

ABLOY LOCKING DEVICES

Versatile padlock range for every level of security, August, Page 27.
Electrically operated locks, September, Page 51.

ACCESS CONTROL EQUIPMENT

Video and ID card access control, September, Page 14.

ACMEX DOORS

New gates for old, October, Page 6.

ACT METERS

Remote fault locator, June, Page 35.

ACTRON UK

Proximity deactivation for article protection range, November, Page 45.

ADEMCO DISTRIBUTION

Appointments, Derrick Conquest, April, Page 10.

ADPRO PTY

Appointments, Geoff Milton, October, Page 5.
Adpro PIR sensor for perimeter protection, December, Page 12.

ADT SYSTEMS

In brief, March, Page 8.
In brief, June, Page 5.

AIPC

Headline, December, Page

AIR CALL COMMUNICATIONS

Visual messages, March, Page 13.
In brief, May, Page 5.
In brief, July, Page 5.
Air Call message pager, September, Page 14.

AIRTECH

In brief, June, Page 5.

AIR TUBE CONVEYORS

Pneumatic cash handling, November, Page 45.

ALKEMI

Security apathy attacked, August, Page 7.

PW ALLEN & COMPANY

Allen interscope, March, Page 11.
Inspection devices, May, Page 39.

AMEY GRILLES AND DOORS

Amey spells curtains for thieves, November, Page 14.

AMBER INDUSTRIAL DOOR COMPANY

Roller shutter doors, July, Page 30.

ANALYTICAL INSTRUMENTS

Detection of explosives, May, Page 34.

ANSWERCALL

Telephone link to safety, June, Page 38.
Appointments, Rob Kay, August, Page 7.

ANT TELECOMMUNICATIONS

Fourth dimension, April, Page 17.

APOLLO FIRE DETECTORS

Intelligent fire detection, July, Page 31.

APPLIED SECURITY DESIGN

Lighting up, October, Page 35.
Appointments, Jon Finelli, November, Page 6.

APPLIED VISUAL SYSTEMS

Till monitoring device, November, Page 46.

APT CONTROLS

In brief, August, Page 5.
A formidable obstacle, October, Page 25.
APT putting up barriers, November, Page 11.

ARE COMMUNICATIONS

Transmitters and receivers, May, Page 41.

ARITECH EUROPE

Aritech combats false alarms, September, Page 11.
Aritech external sensors, October, Page 45.

ARROWHEAD SECURITY

Dual sensor ceiling unit, June, Page 32.
Building up defences, August, Page 20.
Active infra-red system, August, Page 32.

ARTHUR RING (DOORS)

Designer grilles and shutters, October, Page 11.

ASSOCIATION & LIAISON OF ALARM REPRESENTATIVES & MEMBERS

Letter, October, Page 9.

ASSOCIATION OF EUROPEAN TELEVISION COMPANIES (ETSA)

BRITSA is renamed, November, Page 5.

ASSOCIATION FOR THE PREVENTION OF THEFT IN SHOPS (APTS)

Staff awareness assists detection. November, Page 41.

ASTROPHYSICS RESEARCH

E-Scan explosives scanning, Jan, P.11.
Metal detection gateways, May, Page 41.

ATS-UK

Intelligent access for doors, July, P.12.

AUTOCLOCK SYSTEMS

Benzing patrol clock, August, P.28.

AUTOMATED SECURITY (HOLDINGS)

Door entry range, March, Page 36.
ASH sells Thrust, June, P.5.

B

BAND THREE RADIO

Phoenix tunes in to a new channel, Sept, P.75.

BASE TEN SYSTEMS

Appointments, Gary Clark, March, Page 5.
In brief, March, Page 8.
Appointments, Ken Manser, April, Page 8.
Appointments, Chris Van Koutrik, October, Page 5.

BAXALL

Baxall CCD camera, May, Page 11.

BAYFORD ENERGY GROUP

Bayford launches new division, April, P.10.

BEDWAS BODYWORKS

Aggressive looking vehicles can provoke greater violence, May, Page 31.

BELL & HOWELL

Video monitors and cameras, February, Page 50.
Five JVC cameras, June, Page 15.

AP BESSON

Banshee fire alarm sander, July, Page 29.
Low profile Bedlam electronic sander, December, Page 12.

BET SECURITY SERVICES

In brief, August, Page 5.
Appointments, Wayne Bradley, Aug. P.7.
Appointments, Cranley Onslow, December, Page 6.
In brief, December, Page 5.

BEWATOR (UK)

A credit card that opens doors, Jan. P.15.
Two level locking, February, Page 11.
In brief, March, Page 8.
Digital code lock, July, Page 9.

BILOCK

In brief, August, Page 5.

BIS APPLIED SYSTEMS

Computer disaster casebook updated December, Page 9.

Two level locking, February, Page 11.
In brief, March, Page 8.
Digital code lock, July, Page 9.

BILOCK

In brief, August, Page 5.

BIS APPLIED SYSTEMS

Computer disaster casebook updated December, Page 9.

1988 INDEX

BLUEMANOR

Blip tabs protect office equipment, December, Page 14.

BOLTON BRADY

Lords install fire doors, June, Page 6.

BOON EDAM

Revolving doors, September, Page 58.

BPT AUTOMATION

Hydraulic barrier for heavy duty work, October, Page 13.

BRADCROFT SYSTEMS

Security lights, July, Page 11.

BRAMAH

High security locks, March, Page 39.
High risk applications, September, Page 53.

BRC ENGINEERING

BR fencing beats Glasgow vandals, September, Page 5.
Taking a fence, October, Page 29.

BRITANNIA ACCESS SYSTEMS

Access control for the IBM, March, Page 34.
In brief, November, Page 5.
In brief, December, Page 5.

BRITANNIA SECURITY

Appointments, Mike Collier, Fred Coomber, January, Page 9.
In brief, February, Page 5.
In brief, April, Page 5.
Visible deterrents, June, Page 45.
Appointments, Alan Hibbins, Paul Jennings, Peter Furness, July, Page 7.
Appointments, Frank Brayshaw, Fred Knubley, August, Page 7.
In brief, December, Page 5.
Patten opens Britannia branch, December, Page 9.

BRITISH AEROSPACE

Vibration-free binoculars, May, Page 10.

BRITISH ASSOCIATION FOR SHOOTING & CONSERVATION

Letter, February, Page 9.

BRITISH SECURITY INDUSTRY ASSOCIATION

Patten presents BSIA certificates, March, Page 5.
Security section at Interbuild, April, Page 5.
In brief, May, Page 5.
Cash-in-transit attacks down, May, Page 7.
Training programme for guards, June, Page 5.
Appointments, Raymond Clarke, July, Page 7.
Letter, July, Page 8.
BSIA initiative praised, August, Page 7.

New chairman for BSIA branch, August, Page 8.

New code for sub-contractors, September, Page 8.
A criminal competition, November, Page 5.

BRITISH TELECOM

Networking — a real alternative to slow-scan, July, Page 35.

BRITISH TELECOM MOBILE COMMUNICATIONS

The need to keep in touch, January, Page 20.
Keeping in touch with British Telecom radio pagers, January, Page 31.

BRITISH TELECOM RED

Care and abc alarm systems, June, Page 36.
Alarm handling software package, October, Page 14.

Alastair BUCHAN

Does crime watch fit the bill? September, Page 77.

BUILDING RESEARCH ESTABLISHMENT

Fire hazards of foam, August, Page 8.
In brief, September, Page 5.
Clear warnings on evacuation, October, Page 5.

BURLE INDUSTRIES

Automatic switching and CCD cameras, August, Page 14.
Scanners and video recorder, September, Page 14.

BUTTERWORTHS

Security dictionary published, February, Page 5.
Intruder detection reference book, July, Page 7.

C

CAMOR

Giving students their cards, September, Page 34.

CANON (UK)

Hardly bigger than a cigarette packet, February, Page 54.
Still video range, September, Page 11.
Advanced monitoring with Canon CCD, October, Page 14.

CARDKEY SYSTEMS

An obtrusive but effective safeguard, March, Page 31.
Cardkey replaces the Pass 5000, June, Page 15.
Access and attendance management from Cardkey, September, Page 55.
Appointments, Jack Martin,

November, Page 6.

CAREER APPAREL

In brief, September, Page 5.

CARLETON RUSSELL SECURITY

Bullet resistant glass windows, May, Page 41.
Back door protection, November, Page 43.

Roy CARTER

The honest thief, February, Page 61.
Nailing down the welcome mat, March, Page 43.
Which alarm system? April, Page 23.
Selection of embassy site is crucial to security planning, May, Page 21.
'Legalised hacking', July, Page 5.
Loss of data could destroy your business, July, Page 23.
The weak link, August, Page 24.
Insure against the risks, October, Page 57.

CARTERS

Compact mini-sirens, April, Page 12.
Motorised bells, October, Page 11.

CASH & SECURITY EQUIPMENT (CASE-ICC)

Prestige locations, February, Page 51.
Photo deterrent at car hire firm, August, Page 8.
Photographs with branch code inprint, August, Page 13.
Appointments, Bruce Noble, Mike Woodbridge, Dennis Jacques, December, Page 6.

CC ENTERPRISES

Sharp, clear picture, February, Page 57.

C-COM INTERNATIONAL

Computer based paging system, February, Page 13.
Paging systems, March, Page 11.

CCS COMMUNICATION CONTROL

Snoop proof telephone, May, Page 37.

CENTURY LOCKS

Appointments, Bill Hogg, December, Page 6.

CENTURYAN SECURITY

A guard who hates mice, April, Page 8.

CERBERUS

Fire alarm terminal from Cerberus, December, Page 12.

CES

Appointments Robert Dettmer, Michael Vinn, Graeme Oliver, December, Page 6.

CHRISTOPHER SAFETY PRODUCTS

Panic exit device for high security, January, Page 15.

CHUBB ALARMS

1988 INDEX

CCTV equipment from Chubb, February, Page 52.
Challenges facing the alarm industry, June, Page 28.
Chubb control systems, June, Page 36.

CHUBB FIRE SECURITY

In brief, June, Page 5.
Fire fighter fills the gap, September, Page 13.

CHUBB LOCK COMPANY

Appointments, Graham Barefoot, December, Page 9.

CHUBB SAFE EQUIPMENT

Chubb locks secure US prison, May, Page 8.

CHUBB SECURITY INSTALLATIONS

Chubb checks in at Heathrow, February, Page 5.
Shopfront protection, March, Page 7.
Speech enhanced audio pay station, July, Page 9.
Chubb wins municipal contracts, October, Page 6.
In brief, October, Page 6.

CHURCHILL SAFES & SECURITY PRODUCTS

In brief, July, Page 5.

CLARKE INSTRUMENTS

Electric release for doors, January, Page 11.
Barriers, gate drives, turnstiles and locks, October, Page 41.

CLINICON FIRE GROUP

Fire alarm panel, September, Page 13.

CLTO

Remote surveillance, August, Page 11.

CODEPOINT SYSTEMS

In brief, March, Page 8.
Card reader and software package from Codepoint, September, Page 62.

COHU

Cohu upgrades its CCD cameras, October, Page 11.

CONNAUGHT SECURITY

Appointments, Lt. General W. Callaghan, February, Page 9.

CONTACT MARKETING

Fluorescent light detects retail fraud, December, Page 14.

CONTACTA COMMUNICATION SYSTEMS

Safe and sound for reception areas, March, Page 11.

CONTINENTAL SHUTTERS

Panel grille for shopfronts, May, Page 12.

CONWAY PRODUCTS

Anti-vandal cabins, August, Page 27.

Hugo CORNWALL

Computer fraud is not usually sophisticated, January, Page 22.

COTAG INTERNATIONAL

In brief, January, Page 5.
Proximity entry, September, Page 62.
Cotag lends a hand, November, Page 6.

COWIE FIRE SAFETY AND SECURITY

A priority and a problem, January, Page 27.

CUSTODIAN SECURITY

In brief, March, Page 8.
Is it in the bag? October, Page 67.

D

D&L SECURITY

In brief, June, Page 5.

DATA AND ARCHIVAL DAMAGE CONTROL CENTRE

Saving your documents from disaster, April, Page 71.

DATACARD

Cardkey tackles the yobs, July, Page 5.

DATA ENCRYPTION SYSTEMS

Compact encrypting device, January, Page 33.

DATASTRIPE

Card encoder and magnetic reader, January, Page 15.
Security card encoder, September, Page 58.

DATATRAK

Appointments, Dr Richard Harris, October, Page 9.

DATONG ELECTRONICS

Bug detecting products, January, Page 29.
Automatic bug detector, May, Page 34.

DEDICATED MICROCOMPUTERS

In brief, January, Page 5.
In brief, April, Page 5.
Appointments, Callum Farquhar, April, Page 10.
Jockey Club orders multiplexer, May, Page 7.
In brief, July, Page 5.
Uniplex multiplexer for simultaneous monitoring, October, Page 41.
Uniplex goes colour, December, Page 12.

DE LA RUE COMPANY

IC card system, February, Page 11.

DG CONTROLS

Tough moulded beacon lamp with fresnel lens, August, Page 28.

DICON ELECTRONICS

In brief, January, Page 5.

DICTAPHONE

Dictaphone modular voice recorder, July, Page 12.

DIGITAL AUDIO

Speaker extension, September, Page 13.
Appointments, Keith Martin, Thomas Spelman, October, Page 5.
Software to monitor building services, November, Page 14.

DORMA DOOR CONTROLS

In brief, April, Page 6.

DOR-O-MATIC

Automatic doors adapted for fire, December, Page 14.

DP ADVISERS

In brief, February, Page 5.

DPS SECURITY

In brief, February, Page 5.

DRG SELLOTAPE PRODUCTS

Security sellotape, September, Page 13.

E

EEV

Monochrome CCD cameras, August, Page 28.
EEV cameras with sensors for low light applications, October, Page 45.

ELIZA TINSLEY

Waterproof padlocks, March, Page 13.

EMPLOYERS' MUTUAL PROTECTION SERVICE

References are your vetting systems reliable? April, Page 66.

ENCRYPTA ELECTRONICS

Encrypta puts the seal on success, November, Page 6.
Mini microseal, November, Page 13.

EREBUS

Hotel room security, March, Page 14.
Appointments, Gary Parkes, Keith Holt, April, Page 8.
In brief, October, Page 6.

ERSKINE FIRE

Don't forget the extinguisher! July, Page 27.

ESSELTE DYMO

1988 INDEX

Esselte mediasafe protects floppy disks against fire, January, Page 31.
Self mounting security safebox, October, Page 13.

ESSELTE METO

Self-adhesive security labels from Esselte Meto, November, Page 46.

EUREKA

Eureka for British Oxygen, September, Page 7.

EVAGARD

Appointments, Chrystianne Alabaster, December, Page 9.

EXCELL COMMUNICATIONS

Lightweight pocketphone, January, Page 31.

F

FALCONCRAFT

Thwarting the till snatchers, April, Page 17.

FASS SECURITY

What's wrong with access control systems? April, Page 59.

FENCEX '88

Fencex goes to Birmingham, October, Page 5.

JH FENNER

In brief, May, Page 5.

FIBRE OPTIC SYSTEMS SALES

Cost — still a deterrent, September, Page 71.

FICHET-BAUCHE

High security gun safe, May, Page 36.
Fichet keeps your data safe from fire, December, Page 11.

FICHET UK

Electronic till for open banking, February, Page 14.
Big safe for small access, May, Page 11.
Total fire and intruder protection in one unit, July, Page 31.

FIRE PROTECTION ASSOCIATION

London March fire course, February, Page 6.
Building boom fire warning, September, Page 7.

FIRESAFE '89

A passive approach to fire, October, Page 5.

FIREX

Four conferences for Firex, September, Page 5.

Hot topics, December, Page 62.

FIRST INERTIAL SYSTEMS

In brief, September, Page 5.
Access control for canteens, September, Page 11.

FIRST SECURITY GROUP

Self-cleaning sensor, February, Page 14.
Perimeter security, April, Page 12.
Retro-reflection, August, Page 14.
Infra-red tower detector, October, Page 50.

FKI-TULLY

Cantilevered gate, April, Page 12.
Appointments, Eddie Porter, David Jones, June, Page 9.
FKI-Tully upgrades kerb barrier, June, Page 12.
Avoid alienation, October, Page 37.

FOCAS

Portable surveillance and security based on Vibetek, August, Page 31.

FOCUS

CCTV installed in Devon Schools, May, Page 5.
Sound system for CCTV, June, Page 12.
Appointments, Simon Slade, December, Page 9.

FRESENIUS

In brief, February, Page 5.

FROST & SULLIVAN

Europe heads for \$1bn market, January, Page 5.

G

G & A (COVENTRY) SERVICES

Simulated CCTV camera, February, Page 54.

GALT COMPOSITES

Galt's suspect package container, July, Page 11.

GATEWAY

Gateway to Bristol, December, Page 16.

GEC ELECTRICAL PROJECTS

The key to football violence, June, Page 16.

GEC RELIANCE

Compact colour CCD camera, February, Page 52.

GEMINI ELETTRONICA

Remote control alarms, June, Page 32.

GENT

In brief, February, Page 5.
Gent fire alarm equipment, July, Page 29.
Fire-free Mummy, September, Page 5.

GEOQUIP

Building sensor activates lights, October, Page 14.

GEUTEBRUCK

External video motion detector from Geutebruck, October, Page 45.

GLASDON MANUFACTURING

Glasdon buildings and kiosks, October, Page 50.

GOULD COMPUTER SYSTEMS

In brief, April, Page 6.

GOWER PUBLISHING COMPANY

Practical guide to security, October, Page 6.

GPT COMMUNICATION SYSTEMS

Telephone alarm unit, December, Page 11.

GRASEBY SECURITY

Detection devices, May, Page 41.

GROUP 4 MANAGEMENT AND TRAINING SERVICES

Appointments, David Tarplett, November, Page 9.
Loss prevention training schemes, November, Page 9.

GROUP 4 TOTAL SECURITY

Group 4 extends access control, February, Page 13.
Group 4 CCTV systems, February, Page 44.
Masters Degree in security, May, Page 5.
Appointments, Jim Harrower, David Dickinson, May, Page 7.
Purpose designed systems, June, Page 36.
Technical requirements widen applications, September, Page 47.
Group 4 extends system 3000, September, Page 58.
Coaxial and microphonic cable detection from Group 4, October, Page 42.

GTE ELECTRICAL PRODUCTS

Invisible light, July, Page 11.

GUARDIAN SECURITY GROUP

A window on defence, November, Page 13.

H

HAKUTO INTERNATIONAL

Smoke detector, March, Page 11.
Dual technology sensors, October, Page 41.

HARRODS

Harrods' Way, November, Page 20.

Keith HEARNDEN,
LOUGHBOROUGH UNIVERSITY

1988 INDEX

How can security managers advance their cause? January, Page 17.
Violence training ack, February, Page 9.
Course on airline fraud, March, Page 5.
Course about management, April, Page 10.
Security diploma introduced, July, Page 7.

HENDERSON SECURITY ELECTRONICS

Give me the moonlight, February, Page 29.
CCTV cameras, equipment and control systems, February, Page 44.
Seminars on access control, March, Page 7.
Building a defence against terrorism, May, Page 18.
Pass cards slim down, November, Page 14.

HENDERSON SECURITY GATES

Appointments, George Liddle, Roger Booth, Stephen Gaffer, February, Page 6.
Henderson gates used in TV series, March, Page 8.
Gateway to Heathrow, September, Page 20.

HEYDEN & SON

Card laminating systems, March, Page 37.
In brief, September, Page 5.

HIGHTONS ORGANISATION

Combination lock doors, November, Page 43.

HITACHI DENSHI

Low cost colour cameras, February, Page 51.
Video printer launched by Hitachi, September, Page 14.
Hitachi CCD replaces tube, October, Page 14.

HOME OFFICE CRIME PREVENTION UNIT

'Shopping crime fear unjustified', November, Page 9.

HONEYWELL PROTECTION SERVICES

Access control — reducing office security costs, March, Page 29.
Access control at Porsche, August, Page 8.

HOTECH CONFERENCE

In brief, May, Page 5.

I

ICI SECURITY SYSTEMS GROUP

Tagging at Bentalls, March, Page 8.

ICOM (UK)

Two way communications, January, Page 33.

IDENTILAM

Plastic ID card, May, Page 12.

IFSEC

Appointments, Mike Kirk, April, Page 10.
IFSEC Showguide, April, Page 33.
Internal signalling blocks dual detector development, July, Page 19.

IMPACTEX SAFETY GLASS

Glazing for commerce and industry, May, Page 36.

INFOPAGE

Tone plus pager, July, Page 12.

INGERSOLL

Squash challenge, July, Page 8.

INSIGHT VISION SYSTEMS

Thermal imager for low light levels, October, Page 42.

INSTITUTE OF PURCHASING AND SUPPLY

Plug that gaping hole! August, Page 33.

INTERNATIONAL POLICE EXHIBITION AND CONFERENCE (IPEC)

The human factor, November, Page 48.

ISS

Overhead prison yard guard, May, Page 12.

IVECO MAGIRUS

Portable pump with Fiat engine from Iveco Magirus, July, Page 29.

J

JAI ELECTRO-OPTICAL (UK)

Low light level range, February, Page 51.

JARVIS PORTER GROUP

Tamper-evident labelling system, May, Page 12.

JASMIN SIMTEC

Self-contained explosives detector, September, Page 11.

JOHN SHARP INDUSTRIES

Security case, June, Page 16.

JOHN TANN

Free standing safes, August, Page 13.
Steel strongrooms, September, Page 14.
Breaking down the barriers of Tann, November, Page 6.

JORDAN & SONS

Access control is booming, July, Page 5.

K

KABA LOCKS

Programmable key, September, Page 57.
In brief, November, Page 5.

KERDLAND ELECTRONICS

Access control and door monitor alarm, August, Page 14.

KILLBY-TANN

Appointments, David Pennell, May, Page 7.

KNOGO

Letter, October, Page 6.

KONTROL KINETIKS

Destruction of microfilm, March, Page 35.
Desk-side shredder, October, Page 13.

KROLL ASSOCIATES

The great computer swindle, December, Page 57.

KS GROUP

Blueprint for protection, November, Page 37.

L

LAB-CRAFT

Concentrated light, August, Page 32.

LAILAW & THOMSON

Appointments, Alasdair L. Macdonald, June, Page 6.

LAMINEX INTERNATIONAL

Security card camera, March, Page 39.
In brief, April, Page 6.
Holographic high security, July, Page 12.

LANDER ALARMS

Lander installs Philips system, February, Page 6.
Appointments, Joe Mathieson, Alan Tallentire, Ian Bainbridge, Alistair Grant, Richard Williams, Paul McCarthy, February, Page 9.
Looking after personnel and watching out for intruders, February, Page 24.
Colour CCD equipment at shopping centres, February, Page 57.
Lander joins the fight against false alarms, June, Page 36.
Fingerprint identification, September, Page 57.

LARKINS SECURITY

Temporary alarm for site security, December, Page 14.

LEGAL BRIEFS

Act with extreme care, February, Page 68.

1988 INDEX

LETTER

Manned security, April, Page 6.

LIGHT IMPRESSIONS

Holograms join the fight against retail fraud, March, Page 15.

LOCHRIN SECURITY DIVISION

Lochrin sliding gates and arm drive operator, October, Page 42.

LONDON FIRE AND CIVIL DEFENCE AUTHORITY

Information on prevention, July, Page 30.

LONDON FIRE BRIGADE

Frustrating the fire raisers, July, Page 26.

LONSTO (SYSTEMS)

Garment security rack, November, Page 46.

LOSS PREVENTION COUNCIL

LPC's register and guide, July, Page 8.

LUXCRETE

In brief, July, Page 5.

Stanley LYONS

A fruitful hunting ground for walk-in thieves, March, Page 19.

Lighting the escape route from fire, April, Page 19.

What about emergencies? September, Page 39.

LYNX SECURITY INTERNATIONAL

Keypad operated safe, January, Page 15.

M

MA GROUP

A case for security, February, Page 14.

MACMILLAN PRESS

The diplomat is a prime target, May, Page 15.

Essential reading on terrorism, June, Page 6.

MANAGERIAL ADMINISTRATIVE TECHNICAL & SUPERVISORY ASSOCIATION (MATSA)

Letter, September, Page 8.

Who's guarding who? October, Page 19.

MANPOWER SERVICES COMMISSION

In brief, February, Page 5.

J MAPLE & SON

Maple air brake immobiliser, May, Page 12.

MARKETING STRATEGIES FOR INDUSTRY

Alarms — every reason for optimism, January, Page 7.

MARTIN PROCESSING

Train windows with a difference, October, Page 9.

MASTIFF

Patrick McGhee, January, Page 9.

In brief, March, Page 8.

Mastiff protects supercomputer, April, Page 10.

Hands-free access control, September, Page 51.

Handy solution to computer security, December, Page 5.

MATHER & PLATT

Appointments, Cliff Buckley, June, Page 9.

MAYOR TURNSTILES

High security access control, July, Page 11.

Turnstiles control people flow, September, Page 57.

Turnstiles for large industrial complexes, October, Page 46.

MCGRAW-HILL BOOK COMPANY

In brief, September, Page 5.

MEL DESIGN PRODUCTION

TV and video aerial security from MEL, November, Page 44.

METROPOLITAN CRIME AND PREVENTION SERVICE

Letter, January, Page 7.

MICROSCAN

Security with style, June, Page 41.

MICROSCENE

Monitoring and control, June, Page 38.

MICROTECH

Appointments, Bob Steele, August, Page 7.

Appointments, Joe McEnaney, September, Page 7.

MIDLAND VISION

Appointments, John Light, Peter Cartwright, Ian Hutchinson, January, Page 9.

MINTEL

Retailers step up security, August, Page 5.

MITSUBISHI

Video printing comes of age, July, Page 33.

Capturing criminals on video, November, Page 17.

MK ELECTRIC

Passive infra-red lighting system, March, Page 13.

Appointments, Tony Backx, Howard Morris, Graham Langley, May, Page 7.

MODERN ALARMS

CCTV is only part of the security package, February, Page 21.

Modern Alarms keeps growing, April, Page 8.

Appointments, Graham Botwright, May, Page 7.

Software enhanced range, June, Page 31.

Keycard for hotels, September, Page 61.

MODULAR TECHNOLOGY

Connecting surveillance cameras to central monitors, February, Page 52.

MOLYNX HOLDINGS

Lenses for surveillance in high security locations, February, Page 44.

Molynx additions, July, Page 9.

MOTIVATION (TRAFFIC CONTROL)

Blocking the brick thieves, September, Page 5.

Motivation raises its barrier range, December, Page 11.

MOTOROLA COMMUNICATIONS GROUP

Cellphones from Motorola, January, Page 29.

MULLARD

CCD-based imaging module from Mullard, June, Page 16.

MULTI-VIDEO DISTRIBUTORS

Appointments, Hemant Trivedi, September, Page 7.

Multi-visual unit for nine cameras, October, Page 14.

Visual evidence, November, Page 33.

MUROGRAPHICS

Compact laminators, August, Page 14.

N

NATIONAL ECONOMIC DEVELOPMENT OFFICE

The value of security, August, Page 51.

'Seize your chances' says Patten, September, Page 7.

NATIONAL SUPERVISORY COUNCIL FOR INTRUDER ALARMS

Appointments, Sir Lawrence Byford, May, Page 7.

NETWORK SECURITY

Netting the crooks, December, Page 65.

NEUMANN

LRT scheme to keep crime off the tube, April, Page 6.

NEWMAN TONKS

Slot-free magnetic card, September, Page 61.

1988 INDEX

NEWMARK TECHNOLOGY

In brief, January, Page 5.
Newmark upgrades Cardpoint system, May, Page 10.
Personnel tracking and building management system, September, Page 51.

NORBAIN

Advanced security VCR from Norbain, January, Page 11.
Norbain launches revamped CCTV range from RCA, February, Page 52.
Appointments, Richard Levy, March, Page 5.
Digital slow scan, April, Page 14.
Three multiplexers in one from Norbain, May, Page 11.
Multiplexing in colour, November, Page 11.

NORTH EAST REGIONAL SCHOOLS SECURITY GROUP (NERSSG)

Coping with classroom crime, October, Page 64.

NU-AIRE CONTRACTS

Smoke is a killer, July, Page 15.
Smoke ventilation systems, July, Page 31.

O

OGGITRONICS

Picture enhancement package for CCTV, August, Page 11.
CCTV picture enhancement package from Oggitronics, October, Page 45.

OLIVETTI

Wimpey gets a new computer, May, Page 5.

OPTEX (OPTICAL & TEXTILE)

Cameras and lenses for discreet observation, February, Page 57.
Security surveillance disguised as a sprinkler, November, Page 44.

P

PANASONIC INDUSTRIAL UK

Quad splitter system, January, Page 12.
In the picture at Panasonic, February, Page 43.
Panasonic CCD selection for sequential switching, October, Page 49.

PC SECURITY

Computer security — keeping your password secret, April, Page 27.

PEAK TECHNOLOGIES

Corridor pattern intruder detector, February, Page 13.
Glass break sensors and detectors from Peak, June, Page 35.

Light switching sensor, August, Page 31.
Interceptor security light, October, Page 14.
Appointments, Bob Finch, November, Page 9.

PEAT MARWICK MCLINTOCK

Computer crime 'goes unheeded', August, Page 5.
Combatting computer crime, August, Page 54.

PEG ENTERPRISES

Illuminated clipboard, October, Page 46.

PEL GROUP

Appointments, John Wallace, October, Page 9.

PENTAX

Appointments, David Cowperthwaite, Brian Light, January, Page 9.
Pentax CCTV lenses, June, Page 16.

PERFORMANCE SOFTWARE

Computer fraud finder, November, Page 11.

PETER DREW (CAREERWEAR)

Choosing the right uniform, March, Page 45.

PHASE SECURITY

Audio and video entry systems, January, Page 12.
Movement detection technology matures, June, Page 18.
In brief, July, Page 5.

PHILIPS COMMUNICATIONS & SECURITY

In brief, January, Page 5.
Cassette based logging system from Philips, January, Page 33.
Cameras and control systems from Philips, February, Page 43.
In brief, April, Page 5.
Appointments, Phill Ford, April, Page 8.
Philips' CCD camera, June, Page 16.
Philips protects prison, August, Page 8.
First — analyse the risks, August, Page 16.
Computer controlled access systems, September, Page 53.
Low cost observation and shopping complex security, November, Page 45.

PHILIPS INDUSTRIAL & ELECTRO-ACOUSTIC SYSTEMS DIVISION

Graphic warning, February, Page 13.
Alpha-numeric paging systems, August, Page 13.
Philips detects breaking glass, September, Page 14.
Managing access the Philips way, November, Page 11.

PHILIPS SCIENTIFIC

Appointments, Peter Jackson, October,

Page 5.
Appointments, Mike Fryer, November, Page 9.

PHILIPS TELECOM

Cellular phones from Philips, January, Page 34.

PHOENIX CONTROLS

Buzzers, sounders and strobes from Phoenix, June, Page 31.

PHOTAIN CONTROLS

Appointments, Robert Mountain, Steven Mountain, Stephen Andrews, Clive Elliott, Alec Tritton, December, Page 9.

PHOTO-SCAN

Photo-scan keeps the vandals at bay, January, Page 7.
Usage can only increase, February, Page 33.
Fully integrated systems, February, Page 57.
Integrated CCTV, September, Page 55.
Beware the 'barrier' philosophy, October, Page 30.
Photo-Scan colour cameras, November, Page 45.

PILKINGTON

Buried intruder detection from Pilkington, October, Page 50.

PILKINGTON COMMUNICATION SYSTEMS

Video line drivers, March, Page 14.

PILKINGTON GLASS

Major alarmed glass launch, February, Page 17.
Low weight explosives widen the avenues of attack, May, Page 25.

PLANNED EQUIPMENT

In brief, May, Page 5.

PLASTIC SEALS

Plastic security seals, March, Page 41.

PLATT ALARMS

In brief, December, Page

PLESSEY CRYPTO

Data and telephone security, January, Page 34.

POLAROID UK

An ID card for every office, March, Page 25.
Mini portrait camera, March, Page 34.
Polaroid digital ID system, July, Page 9.
Freeze-frame video recorder, August, Page 14.
Video based identification, September, Page 61.

PORTABLE FACTORY EQUIPMENT

1988 INDEX

Shredders and destroyers, March, Page 37.
Typewriter ribbon cassette destroyer, May, Page 34.

PORTASILO

Strongroom for retailers, June, Page 15.

PORTASTOR HIGH SECURITY PRODUCTS

Storing confidential data, March, Page 41.
Secure storage units, August, Page 32.

POWERLITE ELECTRICAL PRODUCTS

Security sensor, February, Page 11.
Powerlux high and low bay lighting, December, Page 14.

PR SYSTEMS

High security retail alarm, June, Page 11.

PROBILT

Probilt supplies Eli Lilly, August, Page 8.
Stocking up on warehouse security, September, Page 67.

PROCTER SECURITY FENCING

In brief, May, Page 5.
Sirdar orders Procter fencing, July, Page 7.
Procter promotes Victorian values, September, Page 8.
Procter fences and gates, October, Page 46.

PROTECTED CARS NEDERLAND

Anti-kidnap cars, May, Page 36.

PROTECTOGRAPH SYSTEMS

Passport and visa validation, May, Page 39.

PUBLIC ACCESS TERMINALS

Vetting for visitors, September, Page 61.

PULNIX

External synchronisation, February, Page 43.
Sensor warns of obstruction, June, Page 15.
In brief, November, Page 5.
Pulnix PIRs for commercial use, December, Page 14.

Q

QUEEN ELIZABETH II CONFERENCE CENTRE

Reassurance is what security is all about, January, Page 38.

R

RACAL-CHUBB

Appointments, Brian Dix, February, Page 6.
Appointments, Brian Dix, Richard Fernie, April, Page 10.

Appointments, Derek Langley, Lourens van der Steen, Brian Dix, Cyril Green, October, Page 5.
Checkpoint for VIPs, November, Page 13.

RACAL-COMSEC

High level phone security, June, Page 12.

RACAL GROUP SERVICES

Fire fighting and detection equipment from Chubb, July, Page 30.

RACAL-ELECTRONICS

In brief, December, Page 5.

RACAL-GUARDATA

Verifying money transfers in banks, April, Page 17.

RACAL-VODAPAGE

Nationwide radiopaging, January, Page 29.

RAYDEK SAFETY PRODUCTS

In brief, September, Page 5.

REDMAN ASSOCIATES

Appointments, John Redman, Peter Harris, August, Page 7.
In brief, October, Page 6.

RELIANCE SECURITY

Letters — Contract security, June, Page 9.
The raw material, October, Page 16.

REMSDAQ

Starwatch at airfields, June, Page 11.
In brief, July, Page 5.
Appointments, Terry Mechan, August, Page 7.
Security control panels from Remsdaq, August, Page 13.
Appointments, Ian Wells, Robert McIntyre, September, Page 8.
The integrated alternative, September, Page 43.
In brief, November, Page 5.
Appointments, Brian Shapcott, November, Page 6.

REXEL

Data storage and disposal, January, Page 34.
Automatic shredders, August, Page 11.

ROBOT (UK)

Compact slow scan surveillance systems, January, Page 12.
Rapid picture transmission, February, Page 50.
Video surveillance system, August, Page 31.
Quad video multiplexer, October, Page 41.

ROXBURGH ELECTRONICS

Buzzer from Roxburgh, January, Page 15.

RV (RADIOVISOR)

Perimbar IR barrier, October, Page 42.

S

S&D SECURITY EQUIPMENT

X-ray equipment and metal detection, May, Page 33.

SADOLIN

Flame retardant wood lacquer, October, Page 11.

SARGENT & GREENLEAF

Intelligent lock, February, Page 13.

SAS COMMUNICATIONS

Secure data communications, January, Page 31.

SCHLAGE ELECTRONICS

Appointments, Kevin Davis, April, Page 8.
Access control management system, May, Page 10.

SEE

In brief, August, Page 5.

SECURICOR

Electronic lock and access control, July, Page 11.
Appointments, Richard Graves, October, Page 5.
Cash collection service for shops' daily takings, November, Page 46.
Banking the cash, December, Page 60.

SECURICOR GRANLEY

The effects of false alarms, April, Page 5.
Radio-programmed key from Securicor, June, Page 11.

SECURIKEY

Cashstore for shops, March, Page 14.
Appointments, Angus MacDougall, Herjunder Sandhu, April, Page 10.
Keeping your keys secure, August, Page 27.

SECURITAG

New tags for fashion and delicate fabrics, November, Page 45.

SECURITAS TECHNOLOGY

In brief, April, Page 5.
Appointments, Dr Tam Hulusi, John Deadman, May, Page 7.
Appointments, Alex Collister, September, Page 8.
Securitas secures ice hockey stadium, October, Page 5.
Securitas detector increases fence security, October, Page 45.
Appointments, John Deadman, November, Page 9.

SECURITAS TEKNIK

System 3000 in Oslo complex, November, Page 5.

SECURITY CONSTRUCTION SERVICES

Safety in numbers at Wembley, June, Page 6.
A safe contract, November, Page 9.

1988 INDEX

SECURITY RESEARCH

Broom sweeps away bugs, January, Page 34.
Hostages find out what's going on, May, Page 29.

SEDGWICK RISK CONTROL SERVICES

Sedgwick opens computer consultancy, October, Page 9.

SELECT SECURITY RECRUITMENT

Appointments, Arthur Butler, January, Page 9.
Improving the standard of security personnel, April, Page 63.
Staff selection made easy, December, Page 9.

SENELCO

Appointments, Frank Skinner, January, Page 9.
Latest tag systems from Senelco, January, Page 11.
B&Q installs Senelco tagging system, April, Page 5.
Shoplifting encouraged in magazine, April, Page 8.
Fashion chain reduces shrinkage, June, Page 5.
Appointments, Peter Woodard, July, Page 7.
Senelco wins Do-It-All contract, July, Page 8.
Machine washable security tag, August, Page 11.
Appointments, Ronald Premuroso, October, Page 9.
Keeping tabs on tagging, November, Page 24.
Senelco sails into the Isle of Wight, December, Page 5.

SENSORMATIC

In brief, December, Page 5.

SETCOM

Shine a light, August, Page 22.
Setting new standards, November, Page 47.

SHORROCK SECURITY SYSTEMS

Video switching system, February, Page 54.
In brief, June, Page 5.
False alarms it's the user who holds the key, June, Page 25.
Total protection capability, July, Page 30.
Appointments, Dr Stanley Shorrocks, John Allan, David Best, Chris Cambers, Clive Hayton, August, Page 7.
Shorrocks' 'family' of central controllers, September, Page 57.
Deter and delay, October, Page 20.
Appointments, Pat Howgill, November, Page 6.

SHUTTER DOORS

In brief, August, Page 5.

SIBA SPEZIALGLASTECHNIK

Protecting the treasures of Vienna, February, Page 9.

SIEMENS

Transmitting video pictures down the telephone line, August, Page 27.

SIGHT AND SOUND VIDEO SYSTEMS

You deserve a better deal, October, Page 55.

SIMBA SECURITY SYSTEMS

Door exit alarm, January, Page 12.

SOFTWARE CONTROL

Network controller with central monitoring facility, September, Page 62.

SONITROL

Ceiling mounted cameras, February, Page 50.

SOPHOS

Anti-virus system, April, Page 14.

SOUTHWEST MICROWAVE

Outdoor microwave sensor, August, Page 31.
Dual synchronised microwave intrusion link, October, Page 49.

SPAR

Training for honesty, November, Page 27.

SRS

In brief, January, Page 5.

STEINEL

Movement sensor detects heat, October, Page 13.

STORNO

In brief, April, Page 6.

SUPERSWITCH ELECTRIC APPLIANCES

Autodialler relays recorded message, February, Page 14.
Portable intruder alarm, March, Page 36.
Wire free protection, June, Page 35.

SURVEY & GENERAL INSTRUMENTS

Appointments, David Skuce, Gerry Brown, March, Page 5.
In brief, August, Page 5.

T

3i

In brief, October, Page 6.

TANNOY

Integrated voice/alarm system, June, Page 12.

TANN SYNCHRONOME

Access control for modern offices, June, Page 12.
Are you holding the door open to crime? September, Page 27.

TELECOM RED CARE

Fashion faces up to break-ins, February, Page 65.
In brief, April, Page 5.
Appointments, Jenny Smith, September, Page 7.
Intruders learn their abc, November, Page 5.
Appointments, Neil Hamilton, November, Page 9.

TELECOM SECURITY

Securiplex, February, Page 6.
A total service for business, June, Page 21.
Commercial alarm system, June, Page 32.

TELE-NOVA

Cableless transmitters, January, Page 29.
Tele-Nova tackles airport risks, April, Page 56.
Personal protection, June, Page 38.
Two way speech and data radio paging system, August, Page 32.
Pager links to electronic sensors and auto-diallers, October, Page 46.

TELEPHONE RENTALS

Telephone controlled paging, January, Page 34.

TELESURVEILLANCE

Swindon FC installs CCTV to pre-empt trouble, January, Page 5.
In brief, February, Page 5.
Time-lapse video recorder and low light camera, February, Page 43.

THAMES

Shredding your secrets, November, Page 13.

THORLUX LIGHTING

Thorlux luminaires, October, Page 49.

THORN EMI ELECTRONICS

Permanent coding, March, Page 35.

THORN SECURITY

Appointments, John Lawrence, January, Page 9.
Slow scan from Thorn, February, Page 54.
In brief, April, Page 5.
Control of shrinkage will lead to improved profits, April, Page 68.
Detection and control, June, Page 32.
Appointments, Alan Coles, Barry Crawford, Andy Stephenson, Chris Pitchford, July, Page 7.
Thorn intelligent detectors and insect-free equipment, July, Page 30.
In brief, August, Page 5.
Thorn cracks bird egg thieves, September, Page 7.

1988 INDEX

Radio frequency transmitter, September, Page 53.
Infra-red movement detection from Thorn, October, Page 46.
In brief, November, Page 5.
Barry gets an education in security, November, Page 9.
Article protection offers a cost effective deterrent, November, Page 43.
Nat West banks on alarm network, December, Page 6.

TIGER TOOLS

Protective headgear, May, Page 33.

TIME AND DATA SYSTEMS INTERNATIONAL

The system is only as safe as the staff, January, Page 25.
Computer security from Time and Data systems, January, Page 33.
Appointments, Colin Barton, Dr David Carless, Robin Mitchell, October, Page 9.
A structured approach, October, Page 61.

TOA ELECTRONICS

Compact system from Toa, February, Page 50.
Toa solid state colour camera, June, Page 16.
In brief, July, Page 5.
Toa solves the china crisis, November, Page 5.
New camera colours Toa's range, November, Page 13.

TODD RESEARCH

Protection against mail bomb attack, May, Page 33.

TRANSAC INTERNATIONAL

Armoured personnel carrier, May, Page 37.

TRIDENT SAFEGUARDS

Letters — Contract security, June, Page 9.

TUNSTALL GROUP

Appointments, Jamie Justham, Mike Stephenson, David Rees, Michael Vickers, Michael Harding, August, Page 7.

TUNSTALL SECURITY

Appointments, Stan Harris, David Huddart, April, Page 10.
Appointments, David Rees, Alan Witts, Clive Drake, June, Page 6.
Tann bought, July, Page 5.
Control panel with illuminated keypad, August, Page 13.

TURNBULL SCOTT HOLDINGS

In brief, November, Page 5.

U

UNI-COM ELECTRONICS

Uni-Com security light, October, Page 41.

V

VICON INDUSTRIES (UK) LTD

Time-lapse video cassette recorder, January, Page 12.
The applications are as exciting as the technology, February, Page 37.
Solid state circuitry, February, Page 54.

VIDEOR TECHNICAL

In brief, June, Page 5.
Appointments, Mike Doyle, June, Page 6.
In brief, September, Page 5.
Appointments, Alan Candy, Rob Hall, September, Page 7.
CCD for low light applications, September, Page 11.
They're not all the same! September, Page 17.

VIDEOSCAN

Keeping an eye on business, February, Page 57.

VINGCARD SYSTEM UK

VingCard, January, Page 7.
Hotel room security, January, Page 12.
In brief, April, Page 6.

VISION RESEARCH COMPANY

Appointments, Dr Victor Chapman, Mike Tennent, Stephen Emery, January, Page 9.
Increased recording power for CCTV, August, Page 11.
Increased recording power and motion detection, November, Page 44.

VISUALERT

Appointments, Tony Richardson, September, Page 8.

VISUAL INFORMATION SYSTEMS

Creating staff awareness, June, Page 46.

VOLUMATIC

In brief, February, Page 5.
Herbert Art Gallery installs CCTV, March, Page 7.
Who's reading your dustbin? March, Page 21.
In brief, April, Page 5.
Appointments, Colin Jones, Jon Broad, April, Page 10.
Garment security, April, Page 12.
...And at Warwick University, May, Page 5.
Confidential waste destruction machines, May, Page 33.
Cash collection, CCTV, and alarm for electrical goods, November, Page 43.

W

WADSWORTH SECURITY PRODUCTS

Masterkey system, March, Page 34.

Fortress padlock from Wadsworth, October, Page 13.
City University removes its cores, December, Page 5.

WAILES DOVE BITUMASTIC

Non-setting paint, April, Page 14.

WALTER KIDDE

Appointments, Stephen Allen, November, Page 6.
In brief, December, Page 5.

WARSHAW SECURITY

Miniaturised CCTV system, February, Page 44.
Appointments, Martin Britton, April, Page 10.
Keypad to ensure secrecy, September, Page 62.
In brief, October, Page 6.

WASO SECURITY SYSTEMS

Vehicle alarm range, June, Page 31.

WENGER PRINTERS

Protection for outgoing data, February, Page 11.

WHITE GROUP

Appointments, John Daines, July, Page 7.
In brief, October, Page 6.

WILLIAM COX

Rangers protects its footballers, August, Page 5.

WORMALD FIRE SYSTEMS

Achieving versatility in fire alarm panels, November, Page 14.

WORMALD INTERNATIONAL

Wormald attacks arson complacency, December, Page 6.

WOTAN LAMPS

Metal-halide lamps, April, Page 14.

Y

YALE

In brief, January, Page 5.
Electronic keycard access systems, February, Page 14.
Hotel security in Budapest, March, Page 5.

Z

ZETTLER UK

Visitor indication, April, Page 17.
In brief, May, Page 5.
Zettler shredder, May, Page 12.
Shredding and collection, May, Page 36.
In brief, August, Page 5.

1988 INDEX

The second part of the Index is divided into product groups, within which articles are listed under the name of the manufacturer or supplier. Issue and page number are also included.

ACCESS CONTROL

ABLOY LOCKING DEVICES

Electrically operated locks, September, Page 51.

ACCESS CONTROL EQUIPMENT

Video and ID card access control, September, Page 14.

ATS-UK

Intelligent access for four doors, July, Page 12.

AUTOMATED SECURITY (HOLDINGS)

Door entry range, March, Page 36.

BAYFORD ENERGY GROUP

Bayford launches new division, April, Page 10.

BEWATOR (UK)

A credit card that opens doors, January, Page 15.

Two level locking, February, Page 11.

In brief, March, Page 8.

Digital code lock, July, Page 9.

BOON EDAM

Revolving doors, September, Page 58.

BRAMAH

High risk applications, September, Page 53.

BRITANNIA ACCESS SYSTEMS

Access control for the IBM, March, Page 34.

In brief, November, Page 5.

In brief, December, Page 5.

CAMOR

Giving students their cards, September, Page 34.

CARDKEY SYSTEMS

An obtrusive but effective safeguard, March, Page 31.

Cardkey replaces the Pass 5000, June, Page 15.

Access and attendance management from Cardkey, September, Page 55.

CODEPOINT SYSTEMS

In brief, March, Page 8.

Card reader and software package from Codepoint, September, Page 62.

COTAG INTERNATIONAL

In brief, January, Page 5.

Proximity entry, September, Page 62.

Cotag lends a hand, November, Page 6.

DATA CARD

Cardkey tackles the yobs, July, Page 5.

DATA STRIPE

Card encoder and magnetic reader, January, Page 15.

Security card encoder, September, Page 58.

EREBUS

Hotel room security, March, Page 14.

EUREKA

Eureka for British Oxygen, September, Page 7.

FASS SECURITY

What's wrong with access control systems? April, Page 59.

FIRST INERTIAL SYSTEMS

In brief, September, Page 5.

Access control for canteens, September, Page 11.

GEC ELECTRICAL PROJECTS

The key to football violence, June, Page 16.

GROUP 4 TOTAL SECURITY

Group 4 extends access control, February, Page 13.

Technical requirements widen applications, September, Page 47.

Group 4 extends system 3000, September, Page 58.

HENDERSON SECURITY ELECTRONICS

Seminars on access control, March, Page 7.

Pass cards slim down, November, Page 14.

HONEYWELL PROTECTION SERVICES

Access control — reducing office security costs, March, Page 29.

Access control at Porsche, August, Page 8.

JORDAN & SONS

Access control is booming, July, Page 5.

KABA LOCKS

Programmable key, September, Page 57.

KERDLAND ELECTRONICS

Access control and door monitor alarm, August, Page 14.

LANDER ALARMS

Latest acquisition from Lander, June, Page 6.

Fingerprint identification, September, Page 57.

Stanley LYONS

What about emergencies? September, Page 39.

MASTIFF

In brief, March, Page 8.

Mastiff protects supercomputer, April, Page 10.

Hands-free access control, September, Page 51.

MAYOR TURNSTILES

High security access control, July, Page 11.

Turnstiles control people flow, September, Page 57.

MODERN ALARMS

Keycard for hotels, September, Page 61.

NEWMAN TONKS

Slot-free magnetic card, September, Page 61.

NEWMARK TECHNOLOGY

Newmark upgrades Cardpoint system, May, Page 10.

Personnel tracking and building management system, September, Page 51.

PHASE SECURITY

Audio and video entry systems, January, Page 12.

PHILIPS INDUSTRIAL & ELECTRO-ACOUSTIC SYSTEMS

Managing access the Philips way, November, Page 11.

PHILIPS SCIENTIFIC COMMUNICATIONS & SECURITY

In brief, January, Page 5.

Computer controlled access systems, September, Page 53.

PHOTO-SCAN

Integrated CCTV, September, Page 55.

POLAROID

Video based identification, September, Page 61.

PUBLIC ACCESS TERMINALS

Vetting for visitors, September, Page 61.

REMSDAQ

The integrated alternative, September, Page 43.

SCHLAGE ELECTRONICS

Access control management system, May, Page 10.

SECURICOR

Electronic lock and access control, July, Page 11.

SECURITAS TEKNIK

1988 INDEX

Securitas secures ice hockey stadium, October, Page 5.
System 3000 in Oslo complex, November, Page 5.

SHORROCK SECURITY SYSTEMS
Shorrock's 'family' of central controllers, September, Page 57.

SOFTWARE CONTROL
Network controller with central monitoring facility, September, Page 62.

SRS
In brief, January, Page 5.

TANN SYNCHRONOME
Access control for modern offices, June, Page 12.
Are you holding the door open to crime? September, Page 27.

THORN EMI ELECTRONICS
Permanent coding, March, Page 35.

THORN SECURITY
In brief, April, Page 5.
Radio frequency transmitter, September, Page 53.

VINGCARD SYSTEM UK
VingCard, January, Page 7.
Hotel room security, January, Page 12.

WARSHAW SECURITY
Keypad to ensure secrecy, September, Page 62.

YALE
In brief, January, Page 5.
Electronic keypad access systems, February, Page 14.
Hotel security in Budapest, March, Page 5.

ZETTLER UK
Visitor indication, April, Page 17.

ALARMS — SENSORS AND SOUNDERS

ARITECH EUROPE
Aritech combats false alarms, September, Page 11.

ARROWHEAD SECURITY
Dual sensor ceiling unit, June, Page 32.

AP BESSON
Low profile Bedlam electronic sounder, December, Page 12.

CARTERS
Compact mini-sirens, April, Page 12.

Motorised bells, October, Page 11.

DIGITAL AUDIO
Speaker extension, September, Page 13.

FIRST SECURITY GROUP
Self-cleaning sensor, February, Page 14.

FOCAS
Portable surveillance and security based on Vibetek, August, Page 31.

GEMINI ELETTRONICA
Remote control alarms, June, Page 32.

GEOQUIP
Building sensor activates lights, October, Page 14.

MK ELECTRIC
Passive infra-red lighting system, March, Page 13.

PEAK TECHNOLOGIES
Corridor pattern intruder detector, February, Page 13.
Glass break sensors and detectors from Peak, June, Page 35.
Light switching sensor, August, Page 31.
